

# Lockington Consolidated School

## Principal's Report

Welcome to Term 3! The middle of winter has officially come and gone and every day is now getting a little longer.

I would first like to acknowledge the wonderful job Chrissy Drummond has done over the last five years as Principal at Lockington Consolidated School and wish her the best of luck in her new position as Principal of Talbot Primary School. The LCS Principal position will be advertised over the coming weeks and in the interim, I will be acting in the role. It is a privilege to work with such a dedicated staff and such wonderful students.

The school beautification team are making progress and we will soon begin to build a footpath at the entrance of the school connecting the car park to the front of the building. I would like to thank the Squires family for their assistance (more to come!).

We are proud of our Whole School Spelling Program at LCS. I would encourage parents to support their children in learning their spelling words each week. The teachers do a fantastic job of teaching the new spelling rules at the start of the week but it requires regular practice at home to have the biggest impact.

Next Thursday 25th July we will be holding our 2020 Prep Information Session. Commences at 12:30pm. If you are unable to attend and would like a school tour, please feel free to contact the school to make an appointment.

Let's make Term 3 a great one!
