Year Level: 2

Dear Parent/Guardian,

Lockington Consolidated School is looking forward to another great year of teaching and learning and would like to advise you of Lockington Consolidated School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Employ a gardener to maintain the school grounds on a limited basis
- Purchase of 20 Apple Ipad – allowing us to provide 1:1 technology for all students

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule over the page for an indication of contributions for your child/ren.

## **Parent Payments 2026 Summary**

**Book Packs** – ordered and paid through Paperchase online (*see last page for details*).

**Contributions** – Paid via Xuno, instalment plans available.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Lisa Duffy

Principal

School Council President
